ITEM 1: Opening

The Director of Cricket declared the meeting open at 0657 hours.

The Director called to order the Annual General Meeting of the Port Stephens Cricket Club, and he called upon Michelle Moxey to function as the secretary of this meeting.

All members were requested to complete the sign in sheets as per the club constitution; these documents are contained at Enclosure 2 to this minute. The Director advised Shawn Davies will function as registrar of the meeting. He also stated everyone present should have signed the attendance sheet. If they had not done so, he requested they do so now.

The aim is to get through the formal part of this meeting as quickly as possible, and he requested that the AGM be closed at the conclusion of the General Business noted on the agenda; contained at Enclosure 1 to this minute, to allow those who wish to leave the opportunity to do so.

If the floor would like to continue as an ordinary meeting to discuss further General Business, a meeting can be called after the conclusion of the AGM.

He asked someone move that the Notice of Annual General Meeting be dispensed with and that they be adopted and approved as presented?

Moved Dave Freeman

Seconded Shawn Davies

The motion was unanimously CARRIED.

The preliminary registration report indicates that ten **(8)** members are present, with two **(3)** Life Members present, zero **(0)** guests, equating to a total of twelve **(11)** votes with **(4)** apologies. Based on the foregoing, there is a quorum present as per 33.2 of the club constitution, the final report of attendance will be retained with the records of the club.

Notice has been given as required by applicable law, and as there is a quorum present, this meeting is properly constituted for the transaction of business.

Voting will be conducted by a show of hands as per 38.1-5 of the club constitution.

The First Item of Business is the Confirmation and acceptance of the minutes of the last Annual General Meeting held on July 25th, 2023. A copy of the minutes is available for inspection, or they may be found on pages 6-14 of the Annual Report, contained at Enclosure 3 to this minute.

www.portpythons.com.au

He called someone move that the reading of the minutes be dispensed with and that they be adopted and approved as presented?

Moved Michelle Moxey

Seconded Lisa Freeman

The motion was unanimously CARRIED.

The notice of the Annual General Meeting describing the matters to be considered tonight was sent on 5th of August as per 32.1 of the club constitution. The notice of this meeting is available for inspection by any member and will be retained with the records of the club. It can also be found on page 4 of the Annual Report which is contained at Enclosure 3 to this minute.

ITEM 2: Director of Cricket Report

The Director of Cricket report is contained in full at page 16 of the Annual Report, a copy is attached as Enclosure 3 to this minute.

The Director advised the floor that he would not be reading his report verbatim and that members can read the report in full as per the PSCC Annual report.

He discussed the ongoing success of the transition Newcastle District Cricket Association (NDCA) and the level of success Port Stephens achieved in the season.

The director thanked the outgoing committee for their efforts over the season both on and off the field.

It was called for someone to move that the reading of the Director of Cricket report be dispensed with and that they be adopted and approved as presented as per page 20 of the Annual Report.

Director of Cricket Report

Josh Moxey

On the field, 2025/26 was a tougher season than the one before, but it was also our 40th year as a club, and that milestone shaped everything we did. Only the First XI made it through to finals, and their title defence ended at the semi final stage against Minor Premiers Merewether Lions at Connolly Park, in what turned into a high scoring contest. Merewether posted 258/5 from their 40 overs, built around a fine 74 not out from Stephen Pryde and 70 from Brad Smith, with Rowan Kelly finishing unbeaten on 47 to push the total well clear. In reply, we were competitive throughout. Leigh Williams got us moving with 43, Joshua Moxey made 35, and Matthew Dean's quickfire 31 kept the chase alive, but Thomas McKendry's 4/31 and Brent Watson's 3/28 proved too much, and we fell 49 runs short at 209 all out. It wasn't the finish we wanted, but reaching the semi final against the Minor Premiers in defence of our title, and taking the game deep, was a fair reflection of the group's effort across the year.

Our Second XI had a solid season without quite recapturing last year's Grand Final run, missing the finals in sixth on the One Day ladder with 9 wins from 20 games and a net run rate of 0.136, just outside the cut behind Merewether (Nepalese), Wests (Waterboard), Cardiff-Boolaroo (Glendale Old Boys) and Waratah-Mayfield. Luke Socha led the way with the bat, scoring 368 runs at 26.29, with Hayden Cekanauskas contributing 298 runs at a strong average of 33.11 and Jordon Hurst adding 330 runs across the season. With the ball, Jeremy Kirk was outstanding, taking 23 wickets at an average of just 8.57, backed up by Dean Rehbein with 21 wickets and Cekanauskas chipping in with 19 wickets to go with his runs. It was a competitive year in a tight and even competition, and there's plenty to build on heading into the 40th season.

Our Third XI, competing in Division 7 this year, again found the competition tough, finishing eighth and last on the ladder despite winning 7 games, two more than seventh placed Hunter Taverners managed. A truly incredible

achievement to back up last year's wooden spoon with another one. The season did produce a genuine highlight though, with Shawn Davies putting together an outstanding all-round campaign, scoring 606 runs at an average of 55.09 and taking 22 wickets at 9.95, a standout return in any grade. Stuart Ellis and Brandon Wilson both chipped in strongly with the ball, taking 17 and 16 wickets respectively, with Wilson also contributing 183 runs, and David Freeman and Jackson Rushford added depth with the bat. The results didn't always fall the group's way, but as always the Third XI's commitment to the club never wavered, and it capped off a fitting season for Shawn following his Life Membership last year.

In the Denis Broad Cup, we made the semi final once again, before being defeated by Newcastle City at King Park 5. Our Masters side withdrew after a few weeks due to low numbers.

A special mention has to go to Garry Pilon for the great work he did standing up our Hamman Cup side this year, becoming the first NDCA club to field a veterans team. The side finished outside the top four, but that's beside the point. Getting a veterans side up and running from scratch is no small task, and it was fantastic to see Garry take it on and see it through.

Our Blasters Program saw a reduction in numbers this year, with 22 kids taking part. There was no grand day out to the SCG this time around, but the year was still an enjoyable one thanks to Michelle Moxey's catering and Ben Stanley's coaching support. Encouragingly, it looks like our junior base will once again grow out of the Blasters program this year, a fantastic sign for where the club is heading.

This year we fielded an Under 10s side, returning junior cricket to Medowie for the first time since 2017. It wasn't without its challenges, with cricket politics playing a part and no help forthcoming from council, but Cricket NSW

remains an avid supporter of what we're trying to achieve, and steadfast in the view that Port Stephens Cricket Club is the right club to grow junior cricket in Medowie.

With that said, it was a stellar year. Coached by Josh Moxey, Juvanni Du Preez was our champion player, excelling with bat, ball and in the field, while Levi Wenham took home the coaches award. We had 12 kids involved across the year, including my son Ezekiel, who filled in to play his first ever match. Personally, it was a great moment as a father. It was also great to have Paul Wilson involved with this side. Our club is incredibly lucky to have the support of two former Test cricketers over recent years, and I sincerely hope this is not lost on the members of the club.

This year's Presentation Night wasn't the star studded affair of previous years, but a great night was had at the Spinning Wheel Hotel none the less. Shawn Davies capped off a stellar year on the field by taking home the Player of the Year award.

Credit to our curators, who did another stellar job this year, hosting an incredible amount of cricket and winning the right to host matches such as the Denis Broad Cup finals. Thanks to Dave and Lisa Freeman and Stu Ellis for their exceptional efforts running the raffles, and to Michelle Moxey for her catering and hospitality across juniors, Blasters and the canteen, as well as catering at Veterans and putting together our presentation nights.

Off the field more broadly, this was our 40th anniversary season, and we marked it with a significant reform of the club's sponsorship structure, introducing a nine tier model designed to give the club a stronger and more sustainable financial footing going forward. It's the kind of behind the scenes work that doesn't show up on a scoreboard but matters just as much to where this club is heading. Looking Ahead

Volunteer burnout and player shortages remain challenges every club in the district is wrestling with, and the Pythons are no exception. Even so, turning 40 was a season worth celebrating, and the sponsorship reform we put in place gives us real momentum heading into the years ahead.

On a personal note, I want to let the club know that if returned to office, 2026/27 will be my final year at the helm as Director of Cricket. My administration commitments outside PSCC continue to grow, particularly with the formation of the Greater Newcastle Cricket board, and I've come to the point where I can't keep giving this role the time it deserves alongside those responsibilities. I remain fully invested for this final season, and I intend to use it to keep pushing a club first, cricket first mentality across the membership. I approach the coming season with a mix of sadness, knowing it marks the end of an era for me personally and for my family, and genuine excitement, knowing I'll be handing the reins to someone else to carry this club forward into its next 40 years. Outside of family and academics, it has been the greatest privilege of my life to serve in this club and in this role, and I intend to make the most of the season ahead.

Josh Moxey
Director of Cricket

Financial Report

Following tighter ATO rules, our reporting continues on a financial year (FY-to-FY) basis, so this update covers May 2025 to April 2026 against last year’s figures.

Key highlights include:

Net profit grew substantially, up from \$2,137.59 last year to \$11,846.87 this year, largely on the back of expenditure discipline rather than income growth.

Raffle income rebounded strongly, up from \$14,066.12 to \$25,162.77, recovering well from last year’s economic-climate softness.

Canteen profit increased, up from \$3,676.37 last year to \$5,288.70 this year, an improvement of \$1,612.33 (43.9%), as sales grew while costs held steady.

Blasters costs dropped sharply, down from \$3,012.53 to \$478.78, as last year’s junior-base investment and secured sponsorship began to offset the outlay as planned.

Council and association fees decreased, down from \$6,266.60 to \$3,880.60, while umpire costs eased from \$3,060.00 to \$1,942.50.

Merchandise and donation spending increased notably, up to \$4,759.16 and \$1,665.45 respectively, worth watching heading into next year.

Membership and match fee income appears down, from \$11,303.47 to \$8,971.50, though \$2,835.00 in player fees remains outstanding in accounts receivable, some aged over 200 days, so this reflects a collections gap rather than a genuine drop in demand.

Key Highlights

\$11,846.87

Net profit this year, up from \$2,137.59 last year. Roughly a 5.5x increase, driven by cost discipline rather than income growth.

\$9,533.40

Partnership income this year, up 85% from \$5,149.40 last year.

79%

Increase in raffle takings, from \$14,066.12 in 2024/25 to \$25,162.77 in 2025/26.

\$5,288.70

Canteen profit this year, up from \$3,676.37 last year, an increase of \$1,112.33 (30.3%).

INDEPENDENT AUDIT REPORT PORT STEPHENS CRICKET CLUB INCORPORATED

OPINION

We have audited the financial report of the Port Stephens Cricket Club Incorporated ("PSCC"), which comprises the balance sheet as at 30 April 2026, the profit or loss statement for the year then ended, including a summary of significant accounting policies, and the directors declaration.

In our opinion, the financial report of PSCC provides a true and fair view of the Association's financial position as at 30 April 2026, and of its performance for the year ended on that date.

DIRECTORS RESPONSIBILITY FOR THE FINANCIAL REPORT

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Association in accordance with the auditor independence requirements of the ACNC Act 2012 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

AUDITORS RESPONSIBILITY FOR THE FINANCIAL REPORT

The directors of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

AUDITORS RESPONSIBLTY

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

FOUNDATION

Partnering with the Australian Sports Foundation, The Pythons Foundation provides our club with a unique opportunity to receive tax deductible donations from individuals and businesses to help our club meet fundraising goals and create a future fund.

The Australian Sports Foundation is a registered charity to act on behalf of Not For Profit sporting organisations. Funds donated will be held by the ASF until a funding goal is reached. Funds released are treated as grants, with proof of purchase required to ensure these funds are being used for their intended purpose.

Why a foundation?

For 38 years our club has ran year to year, with grand goals and great success, but never a solid foundation to fall back on or build on. The Pythons Foundation puts our club once again one step ahead of most of our competitors in the local area with the aim to fund required purchases, whilst also building a future fund for our club to grow from.

What is required from PSCC?

Whileever we are not a registered charity we can not receive funds whilst giving a Tax Deductible Receipt (known as a Deductible Gift Receipt). By partnering with the Australian Sports Fund, the only pre-requisite we need to meet is a clearly defined charitable purpose. Ours -

“ENABLING MEMBERS OF OUR COMMUNITY TO BE THEIR BEST

The aim of the Pythons Foundation is to enable everyone in our community the opportunity to be the best they can be.

We will provide support, guidance and education to nurture physical and mental wellness and encourage a healthy nutrition and lifestyle choices through participation in cricket.

ENGAGING AND INSPIRING EVERYONE IN OUR COMMUNITY TO ACHIEVE THEIR GOALS IN CRICKET AND LIFE”

The total funds raised in 2025/26 for the PSCC Foundation is \$142.50

Thank you to our donors!

Club Honours

The Port Stephens Cricket club has been one of the most successful cricket clubs on the field in Maitland Ond Day Cricket. There have been many success stories, Priemerships, finals appearances, Grand Final triumphs and even heart breaks.

The Port Stephens Shire Council Cricket Club (PSSCCC) entered into the Maitland Club Cricket competition in the 1986-87 season. A grade competition in the 1997-98 season and have since proven they are the team to beat, becoming a guaranteed feature of the Grand Final fixture each year missing only 3 in its 15 year history.

The club dropped the Shire Council association from their name in season 1998-99 when they adopted the Python as the club identity. This was accompanied with a Sky Blue coloured playing shirt, the first club to do so in Maitland Cricket history.

From that moment forward the success has continued to flow through all grades and this is testament to the level at which the Pythons continue to stamp as the benchmark of One Day cricket in the Maitland Region.

In 2021/22, the Port Stephens Cricket Club moved from the Maitland & District Cricket Association to the Newcastle District Cricket Association, winning the 1st Division Minor and Major Premiership in their first season.

Historical Obituary

Ricky Mace

14 Nov 1975 - 5 Mar 2024

Ricky Mace - A batsman & bowler, incredible coach and most importantly, a true gentleman - father, grandfather and husband, who was tragically taken from us, aged just 48, in March this year.

Whilst Ricky only had a short time with the club - being a player / coach through our seasons playing MDCA Grade Cricket - his impact will be ever lasting.

A talented cricketer in his own right, starting way back in his junior days in Tasmania, through to the many clubs he crossed paths with on his journey. It is hard to put into words the impact he has had on cricket, but undisputedly his greatest impact was as a coach and mentor of young men and women, mostly within the RAAF and ADF sides.

Locally, he spent time at various clubs - Stockton & Northern Districts Cricket Club, Thornton Park District Cricket Club and Raymond Terrace District Cricket Club. However, his ties to the Pythons were bonded in his relationship with our RAAF cricketers, whom many he had played with or coached during his time involved in defence cricket.

Macey loved cricket - but he was a stand out gentlman too. He genuinely loved and cared for everyone he came into contact with and subsequently, they loved him too. But, there is no doubt he loved his family most.

After his funeral on 20 March, a small wake was held at King Park 5 for family members who had travelled from around the country to attend his RAAF funeral at Williamtown. At one point, essentially all of Ricky's immediate family were on King Park 5 playing a game of backyard cricket in what was a beautiful moment and fitting tribute to Ricky.

Ricky is survived by wife Leneice, boys Harry & Riley, James & granddaughter Bella.

Historical Obituary

David “Yobbo” Robertson

18 Nov 1972 - 31 Oct 2003

David ‘Yobbo’ Robertson - A Phenomenal Opening batsman who was tragically taken from us, aged just 30, 15 years ago today.

Making his club debut in 2001, Yob had immediate success with the club and his impact is still being felt by those players at the club today. There are a few members of our club now that not only didn’t know Yob, but also don’t know of him at all. Those of you who did, please pass on the stories of this great bloke, and share a woodstock in his honour for round 4, forever known as the “Our Round 4 Yobbo”!

Yob held the record for the Highest Individual Score at the club of 175 for exactly 11 years. He scored this against Bowthorne on the 27th of October 2001 hitting 19 fours and 11 sixes along the way.

For those lucky enough to experience his unique approach to batting witnessed something no other player has matched at the club. A powerful hitter, he was always looking to score, with his trademark shot being the square drive, which he would regularly hit for six. He was the first player to score a century on King Park 5, scoring 127 against Fred Harvey in 2002. The same season, his powerful hitting would be on full display during the Grand Final, when chasing 75 to win against Hinton, he showed total disregard for the bowlers on his way to 54 not out of the 79 runs. An exceptional fielder behind the wicket, he had a safe pair of hands and would seem to throw down the stumps at will.

He is one of only 10 players for the Pythons to play Representative Cricket, and also represented the Pythons in the UK, playing for Westleigh.

Such was his impact on the club, the A Grade Players’ Player award is known as the David “Yobbo” Robertson award, and his parents, Barry and Margaret, are our clubs only honorary life members, whom sadly are both know deceased.

Yob is part of the fabric that makes being a Python special, and he is proof that sometimes being a club great doesn’t come merely from years of service, rather, being a quality teammate, friend, and club member for a few good years.

Club History

2005 C-Grade Grand Final

Now any sporting grand final is filled with emotion, whether that is sheer elation, gut wrenching nerves, bittersweet sorrow, or downright misery. But no one could have predicted the turn of events on the 20th of March in 2005.

A Grade was facing off against perennial rivals Tea Gardens at Robins Oval on a somewhat rain affected wicket. Further away on the outskirts of Tenambit, C grade were squaring off against Maitland City Bowls Sports and Recreation Club (MCBSRC) at Beryl Humble.

Both sides had been denied the opportunity to play it out the day before due to inclement weather, so Sunday matches were a must. A Grade batted first and with some solid contributions from Ben Longrigg (36), Brett Cox (26) Darren Morrison (29) and Michael White (22), even on a wet wicket the Pythons were able to tally up 136 in their 40 overs. There is more to the story of their innings but we will get back to that shortly.

Over at the C Grade game, the Pythons were also batting and going along reasonably well. The scorecard for this match is somewhere in the storage realm, but the only score that is readily available was 7 runs, scored by George Moxey before being run out.

This would ultimately be George's last score for the Pythons, and his last score in cricket. He was found not long after having suffered a heart attack and couldn't be revived.

News of George's passing filtered quickly to the A Grade boys, where his youngest son Josh was playing. Even after the news, Josh braved it and went out to bat, because that's what he believed his Dad would have wanted. Josh scored 1 run, but it was probably the hardest he would ever score.

A Grade went on to win the game convincingly restricting Tea Gardens to 91, Darren Morrison leading the way with 5 for 21 off 6.4 overs.

The match at Beryl Humble was abandoned, all players from both sides were visibly shaken and emotional. Talk was to declare that both sides be joint winners, but it was later determined that the match would be replayed the following week.

The story doesn't end there though. The C Grade boys were determined as ever to secure the premiership for the club and their fallen mate George, but they were also adamant that they would do it with only 10 batsmen. George Moxey was noted in the scorebook batting at 3 and retiring not out for 0. It certainly doesn't have the same ring as Phillip Hughes 63 not out forever, but to the 10 other Pythons on that field that day, it meant the absolute world to them.

The Pythons batted first scoring 8 for 102 off their 35 overs. Top scorer was Brad Bullman with 31, Warren Herbert added 16 opening the batting and Justin Doyle provided a handy 14 not out at the end of the innings.

On the field you'd be mistaken for thinking the Australian side turned up to substitute. Blokes were throwing themselves at everything and played with their hearts on their sleeves. Everyone chipped in, most bowlers taking 2 wickets, Shawn Davies taking 1 for 17 with the new ball and Justin Doyle effecting a run out to limit Maitland City to 96 runs.

The margin required for Maitland City boys to win when the last wicket fell was 7 runs.....The same amount of runs George had scored the week prior.

Also rain off in the near distance threatened for a solid 40 mins but held off until the last wicket was taken. This game ranks as one of clubs best dig deep matches and hopefully remains at the forefront of many memories amongst the club.
